INVESTMENT OBJECTIVES

The Fund’s investment objective is to provide unitholders with long term capital growth by investing primarily in equity and equity-related securities of large and mid-capitalization United States issuers. It is intended that at all times at least 90% of the foreign currency denominated assets held by the Fund attributable to the Units will be hedged back to the Canadian dollar.

RISK

All investments involve risk. When you invest in the Fund the value of your investment can go down as well as up. For a description of the specific risks of this fund, see the Fund’s prospectus.

FUND EXPENSES

	Annual Rate (as % of Fund’s Value)
You don’t pay these expenses directly. They affect you because they reduce the Fund’s returns. The Fund’s expenses are made up of the management fee, operating expenses and trading costs. The Fund’s annual management fee is 0.70% of the net asset value of the Units, exclusive of applicable taxes. Because the Fund is new, its operating expenses and trading costs are not yet available.	---

TRAILING COMMISSIONS

There are no trailing commissions paid on Units of the Fund.

OTHER FEES

- *Redemption Fee* - The Manager may charge a discretionary redemption fee of up to 0.25% of the exchange or redemption proceeds to offset certain transaction costs associated with the exchange or redemption of Units.
- *Brokerage Fees* - You may pay brokerage fees to your dealer when you purchase and sell Units of the Fund.

STATEMENT OF RIGHTS

Under securities law in some provinces and territories, you have: (a) the right to cancel your purchase within 48 hours after you receive confirmation of the purchase, or (b) other rights and remedies if this document or the Fund’s prospectus contains a misrepresentation. You must act within the time limit set by the securities law in your province or territory. For more information, see the securities law of your province or territory or ask a lawyer.
